

NO MURTHA SHIP

"They killed innocent civilians in cold blood"
- John Murtha

Secretary of the Navy Ray Mabus is about to bring shame and dishonor to the Navy and Marine Corps by naming the Navy's new San Antonio-class LPD (Transport Dock Ship) after the late Congressman John P. Murtha. Traditionally, San Antonio-class ships are named after American cities. The ship's launch is in 2013.

Murtha's shame and dishonor include:

▶ **Called Marines under attack in Haditha 'cold-blooded' murderers**

Murtha declared their guilt prior to any charges. All eight have now been cleared of murder.
